

## **LIBERTATE NAFARRA - FREEDOM NAVARRÉ'S DECALOGUE**

- 1.- THE POLITICAL CONFLICT: the nonstop conquest of Navarre (perpetrated by Spain and France) causes the political conflict.
- 2.- THE POLITICAL SUBJECT: The entire citizenship of Navarre.
- 3.- THE NAVARRÉ SOCIETY is plural, intercultural and beyond any polarization of its identity. Anyway, it's based (as a whole) on the political community of Navarre.
- 4.- THE NAVARRÉ STATE: It is the political architecture of navarre society as a whole and it is also cofounder - as Navarre state - of the community of European States. It is the state whose place was taken in the contemporary age by France in 1789 and by Spain in 1841. It is the state which still remains by means of some of its old institutions as, for instance, tax sovereignty, local authority, civil law and others which remain stand by. According to international law, Navarra is considered a passive subject since 1856, due to a border agreement signed by Spain and France, in which Navarre become divided into two pieces.
- 5.- THE NAVARRÉ CONSTITUTION AND ITS LEGAL FRAMEWORK: The navarre constitutionalism is based on the law which emerges from the navarre society as a whole and no power can prevail over it.
- 6.- INVOLVEMENT AND DECISION: The citizenship's straight forward decision and involvement of citizens regarding legislation, government, politics, defense and justice are the foundations of the entire Navarre legal system.
- 7.- THE WELFARE STATE: the State itself make a real Welfare State possible. That Welfare State guarantees the universal right to health, education, housing, employment and social assistance.
- 8.- BASQUE LANGUAGE (EUSKARA): Navarra is a multilingual society in which the navarre linguistic rights of Navarre will be respected and guaranteed. The "Lingua navarrorum" belongs to everybody, so it will be official within the government administration and the parliament, as well as within local authorities just in case when their town councils decide so.
- 9.- SPLITTING AND TERRITORIALITY: Because of the continued conquest, this society has been splitted into baseless districts, provinces, regions, autonomous regions and different states. On the other hand, the truthful territoriality is that which belongs to the society of Navarra as a whole – beyond any imposed borders -.
- 10.- THE NAVARRÉ WAY IS EMPOWERMENT FOR ALL THE RIGHTS AND LIBERTIES: Recover the empowerment in order to enjoy – in a free, sovereign and independent way – the rights and liberties, as well as to recover the State of Navarre are the undeniable way to finish off the subjection and the limitations imposed by the nonstop conquest.
